

Biodiversity Policy

Yuzhou Group Holdings Company Limited (“Yuzhou Group”, together with its subsidiaries, the “Group” or “we”) has proactively performed its social responsibilities as a corporate citizen with always adhering to the long-standing corporate spirit of “Building Ideal Homes with Painstaking Efforts” and the business philosophy of “Building Cities with Heart, Building Homes with Love”. We are well aware that building a healthy ecosystem is of great importance to the maintenance of the resilience of natural environment and improvement in the social well-being. We have impacts on the natural ecosystem and biodiversity, including the exploration of resources in the natural environment, and the direct interference to animals and plants due to the property development and management activities. All the administrative staff will formulate the strategy which is consistent with the best global practice and take adequate measures to minimize the impacts.

Yuzhou Group encourages the adoption of this policy by the joint ventures and associates.

Policy implementation:

The policy of Yuzhou Group aims to:

- consider the environmental impacts during our procurement of the construction and non-construction businesses. Other alternative and low-toxicity materials will be encouraged to prevent the usage of limited resources in the natural environment;
- protect the biodiversity in the surrounding area of projects to minimize the adverse impacts of the business operation on the biodiversity and ecosystem;
- consider environment-friendly design for the development plans of all the new projects while the economic benefits are guaranteed; and
- support and cooperate with relevant non-profit organizations to enhance the consciousness of biodiversity protection of employees, customers, suppliers and persons who has business relationship with the Group.

All the companies may seek for the technical assistance from the Sustainable Development Committee of the Board of Directors of Yuzhou Group and its subordinate Environmental Performance Working Team.

Review

Yuzhou Group will regularly review this policy and update relevant contents when necessary.

In the event of discrepancy between the Chinese and English versions, the Chinese version shall prevail.
